

Medical University of South Carolina – College of Health Professions

Fall Orientation 2022

Goals for Orientation

- To facilitate the transition to graduate school and student life at an academic health sciences center.
- To gain understanding of the support services available to students to enhance their educational experience.
- To ensure that students have fulfilled or are in compliance with university policies & requirements.
- To build beginning connections and relationships with faculty and students from various health professions programs.
- To orient students to their respective academic programs.

Thursday, August 11, 2022
