

**Medical University of South Carolina – College of Health Professions
Summer Orientation 2019**

Goals for Orientation

- To facilitate the transition to graduate school and student life at an academic health sciences center.
- To gain understanding of the support services available to students to enhance their educational experience.
- To ensure that students have fulfilled or are in compliance with university policies & requirements.
- To build beginning connections and relationships with faculty and fellow students.
- To orient students to their academic program in anesthesia for nurses.

Monday, May 13, 2019	Wednesday, May 15, 2019
