

Medical University of South Carolina – College of Health Professions Fall Orientation 2020

Goals for Orientation

- To facilitate the transition to graduate school and student life at an academic health sciences center.
- To gain understanding of the support services available to students to enhance their educational experience.
- To ensure that students have fulfilled or are in compliance with university policies & requirements.
- To build beginning connections and relationships with faculty and students from various health profession programs.
- To enhance team skills and to learn to work collaboratively in an interprofessional environment.
- To orient students to their respective academic programs: healthcare studies, cardiovascular perfusion, health administration, post-professional occupational therapy, health informatics, and PhD in health and rehabilitation science.
